I'm pleasing to you

Sanctify me
You are the light to guide me
To the place where I am
Only pleasing to you

Purify me
I need your light inside me
So the darkness flees
And I can be pleasing to you

Come make me white as snow
Lord, make me pure as gold
Jesus, my heart must know
I'm pleasing to you

I give my life my all
Taking the cross I will follow
Jesus, my heart must know
I'm pleasing to you
